

ROCKHARD USA PREMIUM EPOXY KIT

DESCRIPTION

Xtreme's Rockhard USA Epoxy is a self-leveling concrete floor coating system that produces seamless and gleaming finishes while obtaining absolute resilience and sustainability. Our new and improved Rockhard formula is designed for high-performance applications, including concrete floors, commercial kitchens, industrial settings, garage flooring, counter tops, and other high-traffic environments.

FEATURES & BENEFITS

- 100% solids, self-leveling, and VOC compliant.
- Non-toxic, environmentally friendly, and resistant to harsh chemicals.
- Several layers can be applied over itself.
- It exhibits excellent bonding properties.
- It creates a dense surface that resists bacteria and moisture.
- You can use it indoors safely without producing harmful odors.
